

New Zealand Professional Development Tour

ARV's New Zealand Professional Development Tour will provide you with the opportunity for you to visit New Zealand's three major cities and discuss partnerships, delivery models, facility provision and current aquatic, recreation and leisure issues with key local government personnel and visit a range of community and regional facilities.

This professional development opportunity will allow you to come away with an appreciation of the common elements that impact the delivery of aquatic, recreation and leisure services, infrastructure provision, program delivery, while also highlighting alternative methods of partnering and innovation to deliver effective community outcomes.

There are a limited number of places available.
