

Principal Trainer – Part Time

Smart Connection Company continues to improve the level of training for students studying in the sport, recreation and fitness field. As part of our growth, we are looking to hire Principal Trainers in the following areas:

Sport and Recreation | Management & Business | Fitness

You will be responsible for working with Smart Connection Company in the following areas:

- Engage with industry and peak bodies to ensure full understanding of current industry trends and training needs
- Review through validation and, where necessary, write or update training resources with input from industry peers
- Assist Smart Connection Company, with Training and Operations Manager, to hire and induct sessional trainers
- Conduct limited amount of training to ensure currency of knowledge

As a passionate sport, recreation or fitness professional, you will have expertise in the industry and be able to demonstrate where and how you have imparted your knowledge to others through formal or informal training.

The role will require a commitment of one day per month and you will commit to ensuring that you meet the qualification requirements of AQTF.

Key requirements:

Knowledge of the VET sector

Certificate IV in training and assessment

Hold relevant qualifications and have current vocational experience

Sessional / Part Time Trainers (minimum 8 hours per month or up to 30 hours per week)

Smart Connection Company is expanding to cope with the sport, recreation and fitness industry taking up the funding opportunities for training, as part of the Federal & State Government initiatives to encourage people to continually gain qualifications.

We currently have a number of sessional trainer positions to work within the industry, delivering a quality training experience in the following qualifications:

- Diploma of Management
- Certificate III and IV Sport and Recreation
- Certificate III and IV Community Recreation
- Pool Operations
- Certificate III, IV and Diploma of Fitness
- Certificate III, IV and Diploma of Business

The time commitment is between 8 hours per month and 30 hours per week, dependant upon the qualifications and number of students.

Our training strategy is to deliver the training with industry experts to ensure that the courses deliver the skills and competencies and, in addition, give the learner real insight into the industry.

If you would like to play a part in shaping the future employees for our industry, we would love to hear from you.

Key Requirements:

Strong and extensive experience within the industry

Certificate IV in training and assessment (or ability and desire to become qualified to this level)

Hold relevant qualifications and current vocational experience

Excellent presentation skills

To apply for these positions, email Briony Schofield, Training and Operations Manager at Smart Connection Company – Brionys@smartconnection.com.au by Wednesday 17th March 2010.
